Youtube clip - <a href="#">Dr Sally Shaywitz on Dyslexia, Assistive Technology and Learning Ally</a>	Sally E. Shaywitz, M.D., is a co-founder of the Yale Center for Dyslexia and Creativity, and has devoted her career to understanding and helping children and adults who are dyslexic. In this brief exclusive video interview, she shares insights on the power of assistive technology, audiobooks and accommodations for people with dyslexia.
Link to <a href="#">Orton Gillingham method</a>	A literacy programme to support struggling readers. The programme focuses on developing phonological awareness and helps all students using a multisensory approach with an emphasis on <i>doing</i> . Orton-Gillingham allows children to break down how and why letters and words sound the way they do. Using multiple senses, children can better understand the rules of the English language.

<p data-bbox="175 419 465 448"><a href="#">Neil McKay Website</a></p> <p data-bbox="175 495 761 525">Dyslexia Friendly Strategies and Support</p> 	<p data-bbox="940 419 1673 888">Neil McKay is a freelance consultant and trainer who created the concept of Dyslexia Friendly Schools. He is an experienced teacher who has taught for 26 years, working with children with a wide range of ages, needs and ability. He is known for his ability to bring the classroom into his training and for providing lively, entertaining and thought provoking opportunities for teachers and teaching assistants to reflect on and develop their practice. His audiences particularly appreciate his ability to offer workable responses to a range of learning needs, including AD(H)D, Asperger's Syndrome and Dyspraxia in ways which meet diverse learning needs without affecting the work of the rest of the class.</p>
